

# COMPANY OVERVIEW

Founded in 1995 and headquartered in Reading, PA - DSS is a company that exemplifies the innovative spirit, delivering IT solutions that drive business value. From our Tier III Data Center to our 24/7 Service Desk to the full portfolio of IT products, consulting and support that DSS provides, we continually strive to produce high-quality, beyond standard solutions to exceed the expectations of our customers.

We help organizations simplify infrastructure management, improve productivity, and optimize IT resources. And we deliver the skills and quality you expect from industry leaders with the personal attention, flexibility and value you seek from a local partner. With DSS, you have a partner you can trust to help you optimize and manage IT - allowing you to increase productivity, focus on strategic priorities and improve business results.
